

Escapade Pre-Event: - RVer's Boot Camp Directions and Tips

Thank you for pre-registering for the 2018 Sedalia, MO, RVer's Boot Camp.

Please plan to arrive on Thursday, May 24, between 8:00 am and Noon.

RVer's Boot Camp begins Thursday afternoon and concludes at 3:00 pm, Saturday, May 26. If you are also attending *Escapade*, the event begins Sunday, May 27, and ends Friday morning, June 1. If registered for *Escapade* you will be able to remain in the parking space that was assigned when you arrived for RVer's Boot Camp; if not registered for *Escapade*, you will need to depart before 10:00 am, Sunday, May 27. (You may register to remain for *Escapade* on-site, if you have not done so before arrival).

Approximately 30 days prior to the event, along with your e-Ticket, you will receive via email a parking designator showing a large bold F (full hookups) or B (boondocking), and the day of your arrival for Boot Camp: THURS. (Note: If you are registered only for Boot Camp and not pre-registered for *Escapade* your parking designator will be a **B** for boondocking, for the 3-day Boot Camp event) **It is vital to have your designator printed and placed inside the driver side windshield so the parking team can see and verify your day of arrival and parking option selected.** Once parked, the parking designator should remain visible on the **front** of the RV. When you arrive to park, your patience is appreciated! It does take longer to park special areas for pre-events, but you will be parked as quickly as possible. Please remember there are **absolutely no** facilities for arrivals earlier than Thursday morning and **parking closes at 12:00 Noon on Thursday;** plan to arrive prior to this time.

Watch for *Escapade* signs and/or volunteers directing you to parking areas. The parking crew will guide you to your site. Your parking designator identifies you as a Boot Camp attendee authorized for arrival on Thursday. Once parked, please proceed to Mohler Hall (see pocket map issued by parking team upon arrival) for Boot Camp registration and events.

HINTS (to make your arrival easier):

1. Arrive with empty holding tanks and full fresh water and propane tanks. Be conservative. Bring a heavy duty extension cord, along with water hose and sewer hose extensions. If you are boondocking and staying for *Escapade* there will be a dump station designated on the pocket map if you need to dump prior to leaving.
2. Place the parking designator in your driver-side windshield prior to arrival where it is clearly visible to the parking team. Have your E-ticket printed and in-hand to show the parking greeters when they request it. This is very important for quick and efficient parking.
3. Motor homes – Please disconnect towed vehicles prior to arriving at the fairgrounds, if possible.
4. The parking team will assist you in parking, but always remember it is the driver's responsibility to be aware of any obstacles that could damage your unit.
