How to find us:

Livingston is located on Highway 59 in East Texas, about 70 miles north of Houston. **Rainbow's End RV Park** is located about 6.5 miles south of Livingston on SH 146.

From US 59 as you approach Livingston from the north, take the Highway 190 exit and proceed east on US 190 through town. Turn south onto SH 146 and go about 6.5 miles. When SH 146 becomes a two-lane highway, the park will be 1.4 miles farther on the right.

From US 59 as you approach Livingston from the south, take the FM 1988 exit in Goodrich and follow 1988 until you reach the stop sign on SH 146. Turn south onto 146 and go about 1.4 miles. The park will be on the right.

Turn into the park at the Escapees sign and check in at the manager's office to receive your site assignment.

Boot Camp RV parking available at Rainbow's End

If you are an Escapees member, you can stay at Rainbow's End for Boot Camp at the standard member rates. For non-members, RV parking will be available here at Rainbow's End for the standard non-member rate if you wish to stay in the park. The sites will be water/electric/sewer, with a mix of 30A and 50A available. **Some sites are shared hookups**, so only one sewer hookup may be available for two sites (share with your neighbor). We also have a dump station. On shared sites, one will be 50A and one will be 30A. **We cannot guarantee availability of 50A service**, so be sure to bring an adapter if you have a 50A rig.

If you intend to stay in the park during Boot Camp, you must contact the park at 936-327-1279 to reserve your site in advance after you sign up for Boot Camp.

RV site fees are not included in your Boot Camp tuition. Feel free to come to the park early or stay on after Boot Camp, but be sure to reserve early, as site availability is limited. You may also stay at an area campground and drive in.
